

Well-led

These are examples of the types of evidence we will look at. They are not full lists and we do not expect you to have everything we include here.

For all quality statements under well-led

Evidence categories

Feedback from staff and leaders

- feedback from staff collected by CQC and the provider
- feedback from leaders
- whistleblowing

Shared direction and culture

We have a shared vision, strategy and culture that is based on transparency, equity, equality and human rights, diversity and inclusion, engagement, and understanding and meeting the needs of people and our communities.

Evidence categories

Feedback from staff and leaders, also this specific category.

Processes

- business plans
- equality, diversity, and inclusion policy
- monitoring service objectives
- vision, aims and strategy

Capable, compassionate and inclusive leaders

We have inclusive leaders at all levels who understand the context in which we deliver care, treatment and support and embody the culture and values of their workforce and organisation. They have the skills, knowledge, experience and credibility to lead effectively and do so with integrity, openness and honesty.

Evidence categories

Feedback from staff and leaders, also this specific category.

Processes

- evidence of compliance with schedule 3 and Fit and Proper Person Requirements
- leadership development and training
- recruitment and induction records

Freedom to speak up

We create a positive culture where people feel that they can speak up and that their voice will be heard

Evidence categories

Feedback from staff and leaders, also this specific category.

Processes

- mechanisms for seeking and responding to staff feedback
- whistleblowing records

Workforce equality, diversity and inclusion

We value diversity in our workforce. We work towards an inclusive and fair culture by improving equality and equity for people who work for us.

Evidence categories

Feedback from staff and leaders, also this specific category.

Processes

- equality, diversity and inclusion policies and training
- flexible working arrangements, reasonable adjustments and staff use of assistive technology
- records of any incidents towards staff
- workforce or EDI strategy and associated objectives and action plans

Governance and assurance

We have clear responsibilities, roles, systems of accountability and good governance to manage and deliver good quality, sustainable care, treatment and support. We act on the best information about risk, performance and outcomes, and we share this securely with others when appropriate.

Evidence categories

Feedback from staff and leaders, also this specific category.

Processes

- business continuity plans and risk register
- governance arrangements and organisational structure (roles and responsibilities)
- information security, data protection and GDPR arrangements
- quality management, systems and reporting
- workforce planning

Partnership and communities

We understand our duty to collaborate and work in partnership, so our services work seamlessly for people. We share information and learning with partners and collaborate for improvement.

Evidence categories

Feedback from staff and leaders, also these specific categories.

People's experience

- feedback from people collected by CQC, the provider, local community groups and other stakeholders
- give feedback on care

Feedback from partners
