## Adult social care

This includes accommodation and personal care provided in residential care homes, nursing homes and specialist colleges. Personal care provided in the community; in people's homes through domiciliary care services, extra care housing, Shared Lives schemes and supported living services.

## Rating

Ratings are based on a combination of inspection findings, what patients tell us, monitoring data, and information from services. Inspectors use all the available evidence and their professional judgement, reviewed to ensure consistency.

## Overall rating

We ask five key questions of service providers: are they safe, effective, caring, responsive to people's needs and well-led?  
We rate each of the five key questions and aggregate them to give an overall rating.

## Local authority

Here local authorities are based on the 152 counties and unitary authorities in England.
